

Aerospace Industry Support Initiative

an initiative of **the dtic**

## INDUSTRY CONNECT

### CALL FOR EXPRESSION OF INTEREST (EOI) FOR AEROSPACE AND DEFENCE TECHNOLOGY BASED SUPPLIER DEVELOPMENT PROGRAMME.

EOI 001/22/03/2023

#### The Aerospace Industry Support Initiative (AISI),

which is hosted under Industry Connect at the Council for Scientific and Industrial Research, is a programme of the Department of Trade, Industry and Competition. The AISI hereby invites interested companies to respond to the EOI for the Aerospace and Defence Technology Based Supplier Development Programme.

The EOI is aimed at identifying organisations requiring technology support in sectors relating to advanced manufacturing in aeronautics, space and defence. Companies in the industry are encouraged to apply for funding to industrialise technologies for the advancement of South African niche capabilities and value propositions in support of government objectives such as competitiveness improvement and localisation.

**ALL QUERIES must be forwarded to Livison Mashoko (lmashoko@csir.co.za).**  
**APPLICATION DOCUMENTS are available on the AISI website.**

THE **CLOSING DATE** FOR APPLICATIONS IS MONDAY,  
**29 FEBRUARY 2024 AT 16:30.**

(Potential beneficiaries can submit applications anytime from  
22 March 2023 to 29 February 2024).
